

CONDOR® Boomerang Installation

STOP! WARNING: READ THIS FIRST!

First Read and Understand the Instruction manual and product labels for important safety, set-up and troubleshooting information. If you have problems setting up or using the *Condor®* Boomerang, contact customer service @ 1-815-754-7418 or contact us via e-mail @ www.condor-lift.com. *Condor®* Products are not intended for use by children.

Assembly Instructions: Remove all parts from shipping box. Check the parts below to make sure you have all the parts needed to assemble your *Condor®* Product before beginning. In the unlikely event that you find a part damaged or missing, please call customer service @ 815-754-7418.

Parts in kit:

- 1 Boomerang bar
- 1 Wrench
- 2 Flat Head Screws

Using the two flat head screws provided, line up the boomerang with the rubber side down. Legs facing back

Using the wrench provided, tighten both flat head screws.

The unit is now ready to use. The boomerang adds extra stability for your chock.

CAUTION: Always make sure that all fasteners are tight and all pins are in place prior to use. Understand the limitations of this product and do not exceed these limitations. Always make sure that the unit's cradle settings are optimum for the tire size of the motorcycle before use. For Sport bikes or Motorcycles with low hanging chin fairings, fenders, and cowlings, the cradle may need to be turned 180 degrees for additional clearance, so as not to make contact with a low hanging chin fairing, fender or cowling. For standard sport bike front wheel combinations, the 1,2,3, front settings may be suitable. If instructions are not clear, additional information is available at www.condor-lift.com or call 1-800-461-1344. Technical Components Development & Design is not responsible for any damage incurred by exceeding this product's limitations in structure and/or functionality.

One Year Limited Warranty:

This *Condor* Boomerang product warranty extends to the original consumer purchaser of the product. All illustrations and specifications contained in this manual are based on the latest product information available at the time of printing. Technical Components Development & Design, Inc. reserves the right to make changes at any time, without notice, in color, materials, equipment, options, specifications and models. Models may be shown with optional equipment. Further information may be obtained by contacting Technical Components Development & Design, Inc. @ #1-815-754-7418.

Warranty Duration:

This product is warranted to the original consumer purchase for a period of one (1) Year from original purchase date.

What is not covered?

Our warranty for your product will not cover abnormal wear of parts, damage resulting from negligent use or misuse of the product, use contrary to operating instructions, or disassembly, repair or alteration by any person other than an authorized service station. We shall not be liable for any incidental or consequential damages for breach of by express or implied warranty on your product.

Return Policy:

15 day return policy applies. Merchandise may be returned within 15 days of purchase. Merchandise must be unused and in its original packaging. Customer pays for freight return. Credit is given upon inspection of returned goods. A 15 percent re-stocking fee applies to all returned merchandise.

How your state's law may apply:

Some states do not allow limitations on how long any implied warranty lasts or the exclusion or limitation of incidental or consequential damages. So the above limitation may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which may vary from state to state.
